

WYOMING SPORTSMAN'S GROUP BACKPACK PROGRAM

Thank you for your interest in the Wyoming Sportsmans Group Backpack Program. WSG has developed this program to promote safer shooters in our state. In order for a student (under 18) in Hunter's Safety to earn a WSG Backpack with supplies they must pass the Hunter Safety Test with a 96%.

Not all students will earn a backpack. All will receive a hat.

To qualify your class for our Backpack Program please email with the following information:

Name of Instructor(s) and Credentials to teach the class

Location

Date and Time

How many hours of class time and range time

Class Size (approximate)

Agreement that Wyoming Sportsmans Group can come sit in on your class.

We require a 30 day notice to supply backpacks and hats.

We will try to have a WSG member there to present the backpacks and talk about the group. Sometimes this may not be able to happen and you will be responsible to come pick up the backpacks and return what you do not use (unless other arrangements have been made.)

Thank you,
Wyoming Sportsman's Group
